 **BRITISH** BRAND

Our Story

Founded in 1996 by Jim Brown and his sons Matthew and Daniel, the TVD Group began its journey in a shop in Leigh and has since evolved into a leading UK provider of audio-visual solutions. To mark the company's 20th anniversary in 2016 and honour their late father, the two brothers decided to create their own exclusive TV brand, named 'Mitchell & Brown,' incorporating their father's surname and Jim's mother's maiden name.

Placing the customer at the forefront of our endeavours and taking pride in delivering unparalleled service and high-quality products has fuelled our growth, propelling the group to new heights of success.

In 2023, TVD Group proudly transitioned to an employee-owned business which reflects a long-term commitment to both the future of the company and the team that has been instrumental in its ongoing success.

This new structure enables us to attract and keep the best people – improving the quality of Mitchell & Brown products across value, price, range, availability, and service.

Proud To Be British

Born in Bolton and crafted by a family-owned enterprise, Mitchell & Brown epitomises the local ethos and family values upon which many of our retailers have built their success.

UK Customer Service

Whether you're reaching out to our UK call centre, seeking expert advice, or making use of our industry-leading warranty, you will interact with someone who is knowledgeable, friendly, and based in the UK.

Heritage, Quality and Understanding

The business grew from retail stores within the consumer electronics industry and our success is founded on the knowledge, expertise, and values that we still uphold. It is this connection that enables Mitchell & Brown to appreciate the quality, reliability, and peace of mind that our customers value.

Why Mitchell & Brown?

Employee-Owned Business

As of 2023, we became a majority employee-owned business. This ensures the ongoing success of the company, and builds strong, long-lasting relationships with both Mitchell & Brown retailers and their customers.

Proudly
employee
owned.

What customers say about us...

Pleased in every way!

"I am always ready to try a new company and fed up with the usual TV brands. I fancied a QLED TV and couldn't find good viewing angles on any and they were very pricey. After a visit to my local retailer, working on display was a Mitchell & Brown 43inch QLED TV with a centre swivel stand as standard, did a bit of homework, it was just what I wanted as the price was amazing with 7-year warranty. After a couple of months, I am pleased in every way."

Colin Stevens

Great Product

"Excellent picture and sound quality and the warranty is second to none."

Phil Sheldon

Can't fault it!

"We bought a 32 inch smart TV in March this year and may I say up to now it's one of the best TVs we have ever bought can't fault it."

John Oakes

Amazing Service!

"Amazing customer service. So helpful. I would give it 10 stars if allowed. A 7 year warranty!! Now that's confidence in your product. Amazing picture and the fact Mitchell & Brown is a British firm is a big bonus. Without doubt I will be buying from them again."

Steven Mahoney

Mitchell & Brown for all round quality...

"The picture quality of a Mitchell & Brown television is visible the moment you switch it on, with vibrant lifelike colours and beautiful high definition picture quality. The most impressive thing with the television however, is the seven year guarantee."

Jeremy Flint

Remarkable Service

"I want to relay the utmost thanks and appreciation to you. We have had remarkable service, attention to detail and speed in relation to our recent repair. I will be buying from you in the future."

Amanda Francis

Fantastic Value

"I've found the TVs extremely good value for money, reliable, easy to use and backed up with a fantastic 7 year warranty."
